We provide broadcast production for the Spruce Grove Saints (BCHL), Junior Prospects Hockey League (JPHL), Female Super League (FSL) and the Hockey Super League (FSL) as well as various tournament and showcase events.

Position Summary:

We're looking for a broadcast professional that is responsible for setting up and operating broadcast equipment as well as working on the execution of live hockey broadcasts and productions. The successful candidate will oversee our streaming platform, silenticetv.com, while also providing content for various Silent Ice entities.

Responsibilities:

1. Website administration for Silent Ice TV.
2. Record, edit, and produce high-quality video content.
3. Oversee the technical execution of broadcasts produced by 4Vengeance Media.
4. Assist in all technical assets of Silent Ice Center.
5. Equipment maintenance and inventory.
6. Participate in producing large multi-Cam broadcasts.

Qualifications:

1. 2–4 years of experience in content creation and live event production.
2. Proficiency in Adobe Creative Suite (Premiere Pro, After Effects, Photoshop).
3. Strong portfolio or demo reel showcasing creative and technical skills.
4. Ability to work independently and in fast-paced environments.
5. **MUST** be willing to work weekends as required throughout the hockey season.

6. Background in Information Technology or advanced knowledge of computers and broadcast equipment (Replay Machine, Switchers, broadcast cameras, OBS, audio mixers).

Why Join Us?

1. Competitive salary & benefits.
2. Access to cutting-edge equipment & creative resources.
3. Supportive team culture.
4. Opportunities for growth, creative freedom, and impact.
5. Rapidly expanding sports-focused company.
